

## QUALITY POLICY STATEMENT

### GVNL-QPS-001, Rev 02: Quality Policy Statement

**Gromzia Ventures Nigeria Limited** is a freight and logistics company providing Customs Clearance and Freight Forwarding Services, Shipping Services, Customs Bonded Warehouse Terminal Operations, Door-to-Door Services, and Warehousing Services across all sectors of the Nigerian economy. In line with its vision for growth, development, and sustainability, **GROMZIA** aims to become a leading company in the freight and logistics industry. It is committed to meeting service requirements, delivering excellent and prompt service, and exceeding client expectations efficiently and cost-effectively.

A quality management system aligned with **NIS ISO 9001:2015** has been established, documented, and implemented to ensure proper communication, work control, and accountability in all operations. Top Management is dedicated to continuous improvement and the sustainability of the Quality Management System.

Quality objectives aligned with this policy are set at relevant functions, levels, and processes within GROMZIA. Adequate resources are allocated to achieve business and quality goals.
